Materials: Ekolen outer fabric, polypropylene non-woven underside, shredded polyurethane foam filling

Fastening: ties

Manufacturer / responsible entity: Texcorp sp. z o.o., Poland

2. Safe Use Instructions

- Use the product only as intended, as a cushion for garden furniture.
- Place the cushion only on stable, dry and undamaged furniture. Do not use it on sharp, broken or unstable structural elements.
- Before use, make sure that the ties are properly fastened and that the cushion does not slide on the seat.
- This product is not a toy. Do not allow biting, tearing or putting any filling elements into the mouth.
- Do not use the product as fall protection, a rescue mattress, safety equipment or a permanent sleeping place for infants.
- Children should use the product only under adult supervision.

3. Warnings

- Keep away from open flames, heaters, grills, fire pits and other strong heat sources.
- Do not smoke in direct contact with the cushion. Textile materials and foam may catch fire.
- Do not leave the product permanently exposed to heavy rain, snow or standing water. If wet, dry it in a well-ventilated place.
- Do not use the product if the fabric, seams, ties or filling are damaged in a way that may create a risk of swallowing small parts or loss of stability.
- Plastic film and other product packaging are not toys. Keep them out of reach of children and dispose of them after unpacking.

4. Cleaning and Maintenance

- Remove most dirt with a damp cloth, optionally with a mild detergent.
- Do not use bleach, aggressive chemicals, solvents or abrasive cleaners.
- Do not dry directly near fire or on very hot surfaces.
- Before long-term storage, the product should be clean and dry. Store it in a dry, well-ventilated place.

5. Product Check Before Use

- Check that the fabric is not torn and that the seams and stitching are not significantly damaged.
- Check that the fastening ties are complete and not torn.
- If visible damage may affect safety, stop using the product.

6. Disposal

Dispose of the product and packaging in accordance with local waste sorting rules. If the product is wet or contaminated with chemicals, follow local guidelines for the relevant type of waste.

7. Additional Information

Keep these instructions for the entire period of product use and provide them to the end user.
